

As a fun treat, you can purchase candy grams for your student. The students can also purchase them for their friends or teachers. They are \$0.50 each and will include the card below attached to candy. These will be delivered to the students first thing on Thursday, February 13, 2020. Please send cash or check made out to OGE PTA along with the completed cards below no later than Wednesday, February 12, 2020. If you need extra cards, they will be available in the front office. This year, you may also purchase them online at <https://oge-pta.square.site> We are very happy to be able to offer this online option for your convenience! ☺
